(d) The Administrator has passed a resolution that the acquisition proceedings may be dropped as the burial ground will be too close to the houses. As no acquisition award has been passed determination of compensation does not arise.

SRI B. B. SAYANAK.—When the Government first wanted to acquire this land for the purpose of Cemetry, I personally went to the spot and saw 15 Harijan families residing there. These Harijans families were crying for help. Then, I approached the Administrator and requested him to drop that proposal. Thereafter, they have passed a resolution to drop that issue, in view of the inconvenience caused to Harijan families residing there. As the Government has done justice to the Harijan families by dropping the proposal of acquiring the land for cemetry, I do not want to ask any clarifications on the above question.
